Re: CORPS PERMITS, DEC
Luther Forest Technology Campus
Towns of Malta and Stillwater, Saratoga County
06PR03144

Dear Mr. Munsey:

The State Historic Preservation Office (SHPO) has reviewed the latest information submitted for this project (letter from Adam Luscier, HAA, dated 3 April 2013). Our review has been in accordance with Section 106 of the National Historic Preservation Act and relevant implementing regulations.

Based on the information provided in the 3 April letter as well as the previously submitted Phase II report, SHPO recommends that Locus 1 and Locus 4 of the Luther Forest Site 1 (A09111.000347) are non-contributing elements to this National Register-eligible site. Therefore, SHPO concurs with the proposed site avoidance plan, which protects Locus 2 and Locus 3, as described in the above-referenced letter. Please provide an enlarged copy of the avoidance graphic so that it may be integrated into the report.

SHPO notes that we have not yet received the archaeological site inspection report for 2012. Please submit that report as soon as it has been completed.

If you have any questions please don't hesitate to contact me.

Sincerely,

Philip A. Perazio, OPRHP
